Conor has the same dream every night, ever since his mother first fell ill, ever since she started the treatments that don't quite seem to be working. But tonight is different. Tonight, when he wakes, there's a visitor at his window. It's ancient, elemental, a force of nature. And it wants the most dangerous thing of all from Conor. It wants the truth. Patrick Ness takes the final idea of the late, award-winning writer Siobhan Dowd and weaves an extraordinary and heartbreaking tale of mischief, healing and above all, the courage it takes to survive.

Dead to You Lisa McMann

Ethan was abducted from his front garden when he was just seven years old. Now, at sixteen, he has returned to his family. It's a miracle at first. Then the tensions start to build, and his family starts falling apart all over again. If only Ethan could remember something, anything, about his life before, he'd be able to put the pieces back together. But there's something that's keeping his memory blocked. Something unspeakable.
