# ONE SCHOOL TWO CAMPUSES

Shanghai French School is the only French school to share two Eurocampuses with the German School. It is a real opportunity for our students to benefit from a unique multicultural environment in Shanghai! In Qingpu just like in Yangpu, our Eurocampuses offer infrastructures of quality for our students' development and wellbeing: sports centres, swimming pool, theater, libraries, international canteens, art centres. Together is better!

**Ensemble,**  
*c'est mieux !*
